Mr. Jerry Hardacre
Principal Environmental Specialist
Solar Turbines, Incorporated
(Harbor Drive Plant)
P.O. Box 85376
San Diego, CA 92130-5376

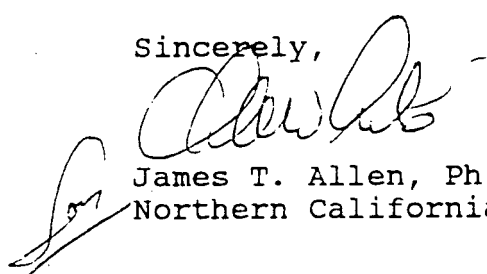

Dear Mr. Hardacre:

FINAL HAZARDOUS WASTE FACILITY PERMIT FOR SOLAR TURBINES,
INCORPORATED, (HARBOR DRIVE PLANT)

Enclosed is the signed final hazardous waste facility permit for your Harbor Drive facility. This permit authorizes the storage and treatment of hazardous waste generated at this facility subject to the terms and conditions set forth in the permit document.

If you have any questions about this permit, please contact Sam Zarek, Project Engineer, at (916) 739-3141.

Sincerely,

James T. Allen, Ph.D., Chief
Northern California Section
